

HASSLE-FREE AUTO-CALL GRITTER SERVICE

NWH Group understand better than anyone how unpredictable the Scottish winter weather can be. That's because our highly-trained team are vastly experienced and why our gritters are some of the best in the industry. It's also why we have an Auto-Call service for our customers, offering huge benefits when you sign up.

With our Auto-Call service, our highly trained team monitor the weather for you, using Met Office specific reports.

We automatically arrange for the despatch of gritters and treatments to your site at pre-agreed times - when the temperature falls beneath a certain level.

Signing up also gives your business priority booking of our fleet of gritters, should a weather emergency arise enabling you to stay ahead of the weather and avoid disruption to your operations.

24/7 SUPPORT

NWH Group understand the need for haste should a storm or snowy conditions arise. That's why we promise an extremely quick turnaround with all our gritting vehicles and have a team of responsive staff available 24 hours, day or night.

WHO WE HELP

Overwhelmed local councils, car park managers, industrial units and facilities management who need clean and safe roads and paths and many more.
