# TONE OF VOICE

Our tone of voice reflects our values and defines who we are - it's the words and actions we want people to use when they describe the work of The NWH Group.

Our messages are simple and easy to understand with no jargon. We get to the point immediately.

**THINK NATIONAL ACT LOCAL** - Whilst we think and compete nationally, we provide a local service.

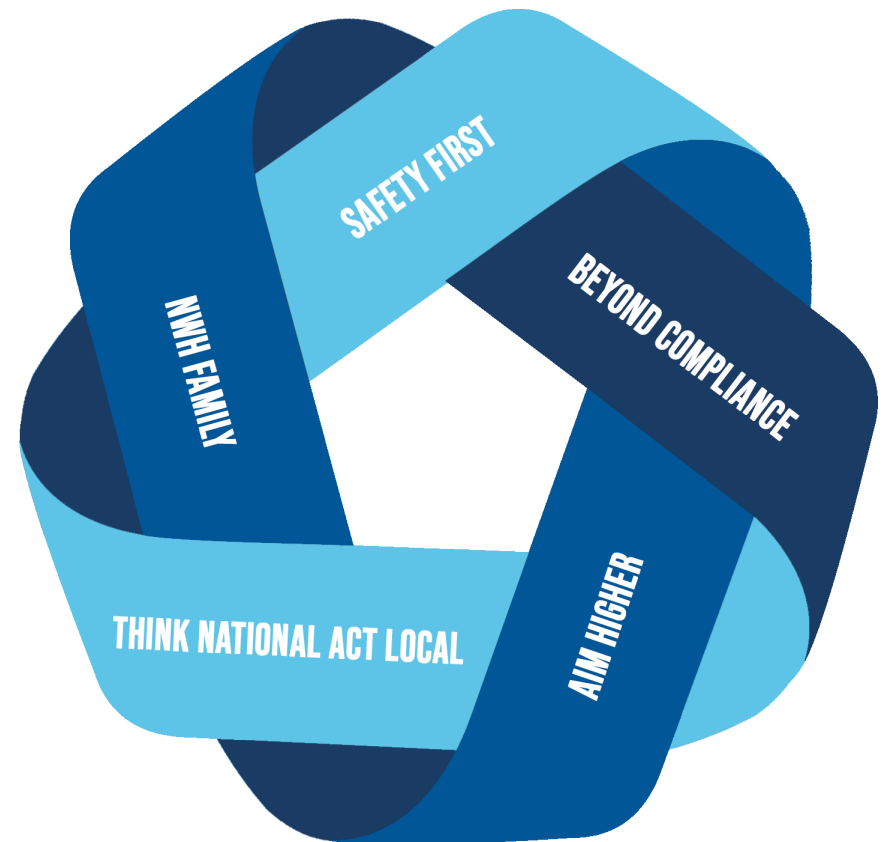

**BEYOND COMPLIANCE** - We don't just comply because we have to, we comply because we want to.

**AIM HIGHER** - We never settle, we always look to improve.

**NWH FAMILY** - We are all part of the NWH Family, we work together and we value each others contributions.

**SAFETY FIRST** - We are all responsible for our own safety and the safety of others.

How we speak changes to meet the needs of a particular audience, channel or circumstance. But our voice is the same.

Only professional or marketing approved photography should be used in official NWH Group publications, printed material and digital presentation. Some examples of our house style photography are show opposite.

Illustration is an important tool of our brand. It should support a narrative to help inform and inspire our audience. It should only be used where appropriate, and should be:

- straightforward
- colourful
- striking
- relatable
- bold
- fun

Any Illustrations or photography used for social media, must also be approved by the marketing team before publishing online.

Images of poor quality e.g. pixelating, stretched, incorrect PPE, should never be used in any NWH Group material.
